

RUSSIAN PATRIOT GETS OUT OF JAIL

Tschaikovsky Released on
\$25,000 Bail After a Year's
Imprisonment.

ST. PETERSBURG, Oct. 28.—Nicholas
Tchaikovsky, the aged Russian patriot,
who has been imprisoned in this city
for nearly a year, was released this
afternoon.
The fund of \$25,000 subscribed in Eng-

land to cover the bail demanded by the
Russian Government for Tchaikovsky's
release was received here yesterday and
was deposited in the Imperial Bank to-
day.

Tschaikovsky was the first leader in
the reform movement in Russia, and
was known as the "Father of the Rus-
sian Revolution." He was arrested on
the Russian frontier Nov. 23, 1907, and
confined in the fortress of St. Peter
and St. Paul, although there were no
specific charges against him. Tchaik-
ovsky is well known in the United
States and England, having resided in
each country for long periods. His ar-
rest aroused protests from both Great
Britain and the United States and pe-
titions, signed by many prominent men,
for his release were sent to Russia
from London and New York. It was
chiefly on account of these efforts that
the prisoner finally was set at liberty
to-day.

Pianos Built to Last a Lifetime.

and resonant, their touch is one of the
main features—elastic and responsive.

banded all the way through, beautiful
and original in design. Walters
Pianos will hold the tone, which is
rich, mellow and resonant, longer than
any other piano in the world.

Beware of Piano Frauds

Don't Buy a Piano Unless It Bears
the Maker's Name

Stenciled Pianos. One should be-
ware of stenciled pianos. It is ex-
tremely dangerous to purchase a
piano masquerading under a false
name.

The word stencil is the commonest
form of piano fraud. It consists in
labeling by stencil plate a cheap
piano with a name resembling a good
one, but in reality it is nothing but
a cheap commercial piano manufac-
tured for the dealer for that purpose,
and in a short time the piano becomes
perfectly useless. Your safeguard is to
buy a Walters Piano—They Are
the Best

The Name Walters on a Piano
stands for the very highest and best
grade. One is as safe in investing in
a Walters Piano as one would be in
purchasing United States gold bonds.

**Caution to Prospective Piano
Purchasers**

Under no consideration do we
advise you to buy a so-called
slightly used or second-hand
piano. They are like worn-out
machinery, perfect in use, but
otherwise people would not wish
to part with them. Why should
you buy other people's cast-offs
when we offer you the highest
grade new Walters Pianos for
less money, on the most liberal
terms of \$1 per week?

On Cash Sales we will box and
ship pianos free of charge to any
part of the U. S.

Exchange your old piano for one of
these beautiful new Walters
Pianos in part payment and give you
the balance in cash. We will
take your old piano and give you
at \$200 per week. **REPRESENTATIVE WILL CALL**
